

Spin Wheel Experience

You may qualify for one spin at the wheel each month based on your eligibility. Use your spin at any in-person roadshow or during a virtual RoadshowToGo™ appointment.

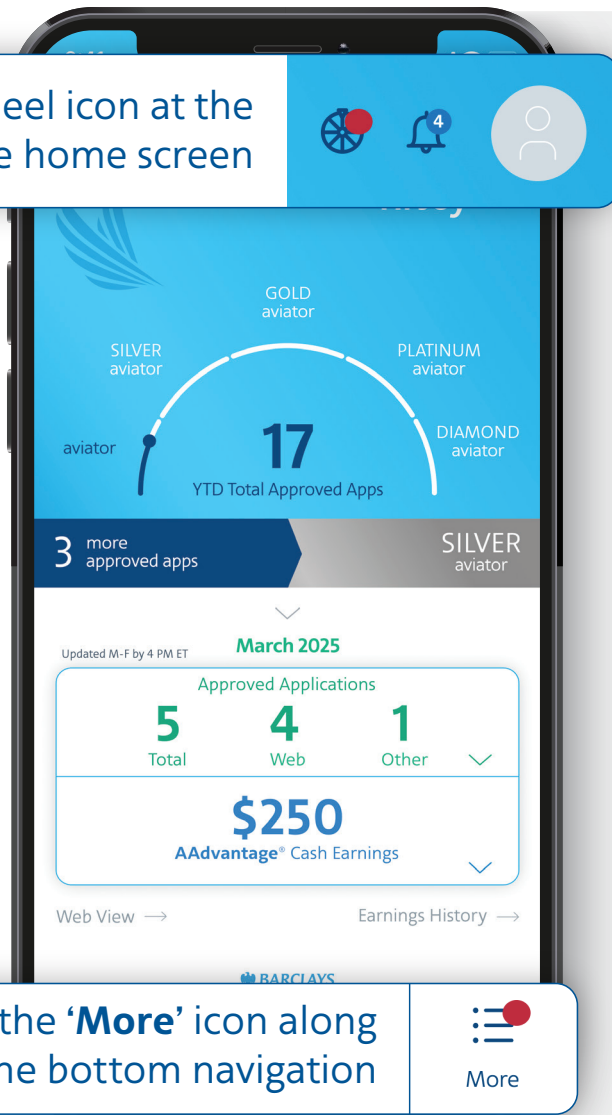

- Spins must be claimed during the month in which they are earned. If you don't use your spin by the end of the month, you will lose it!
- On the day you attend a roadshow, check your **AAdvantage®** Cash mobile app to see if you are eligible for a spin.

From the **‘Spin Wheel’** page:

Tap on **‘View Roadshow Schedule’** to view all upcoming crew room roadshows.

At a roadshow, access your personal QR code from the **‘Rewards’** page. Your FEM will scan it to check you in.

Thank you for coming to a roadshow and spinning the wheel!

Once you spin the wheel, you're taken to a notification screen confirming that you have successfully completed your spin.

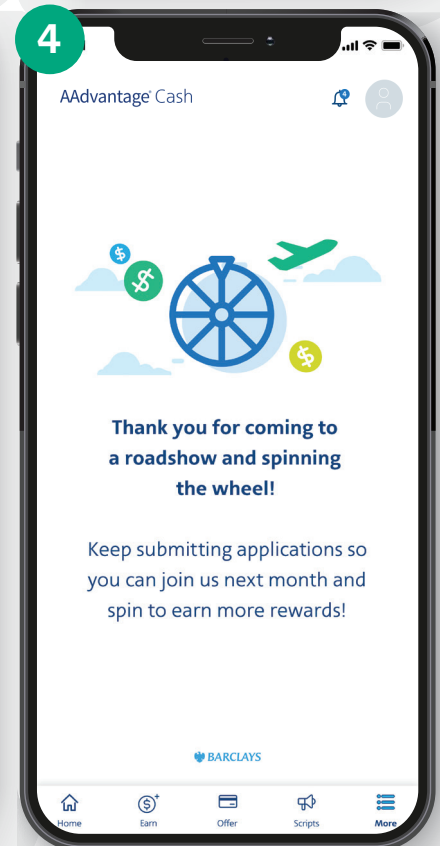

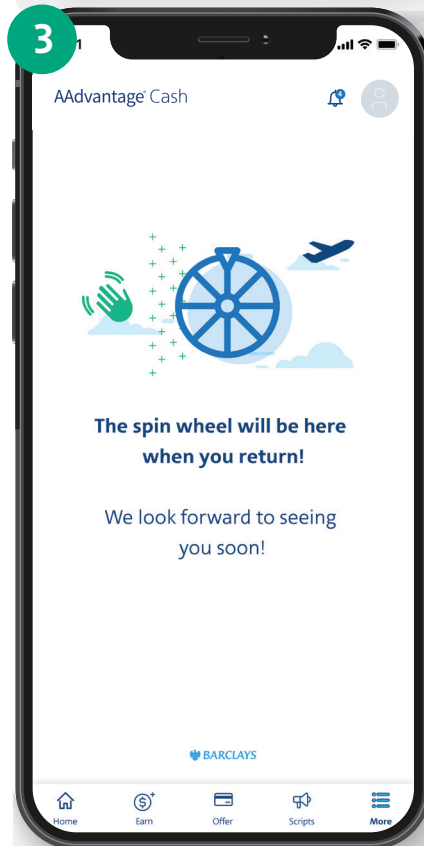

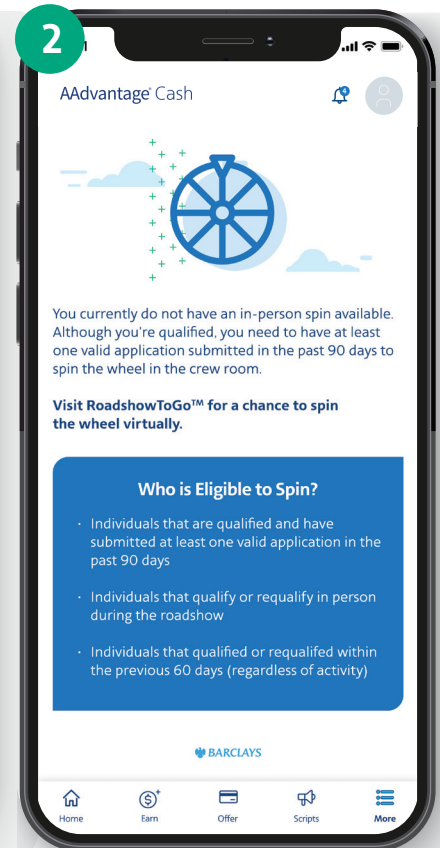

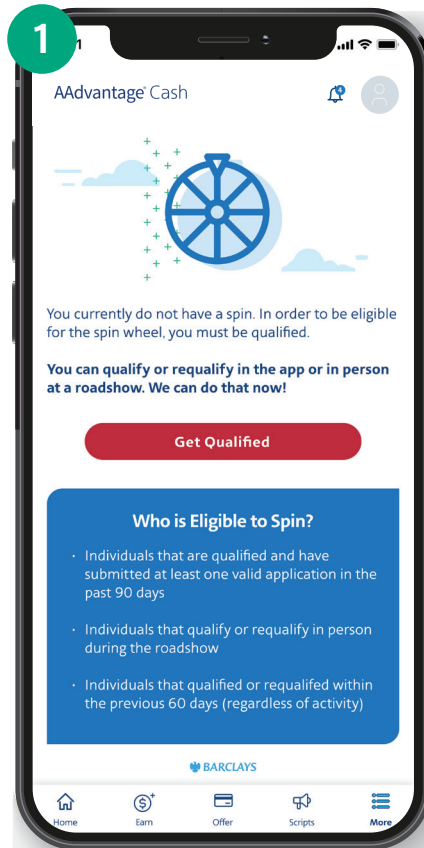

Why You Might Not Have an Available Spin

A spin wheel with no red dot means you currently do not have an available spin.

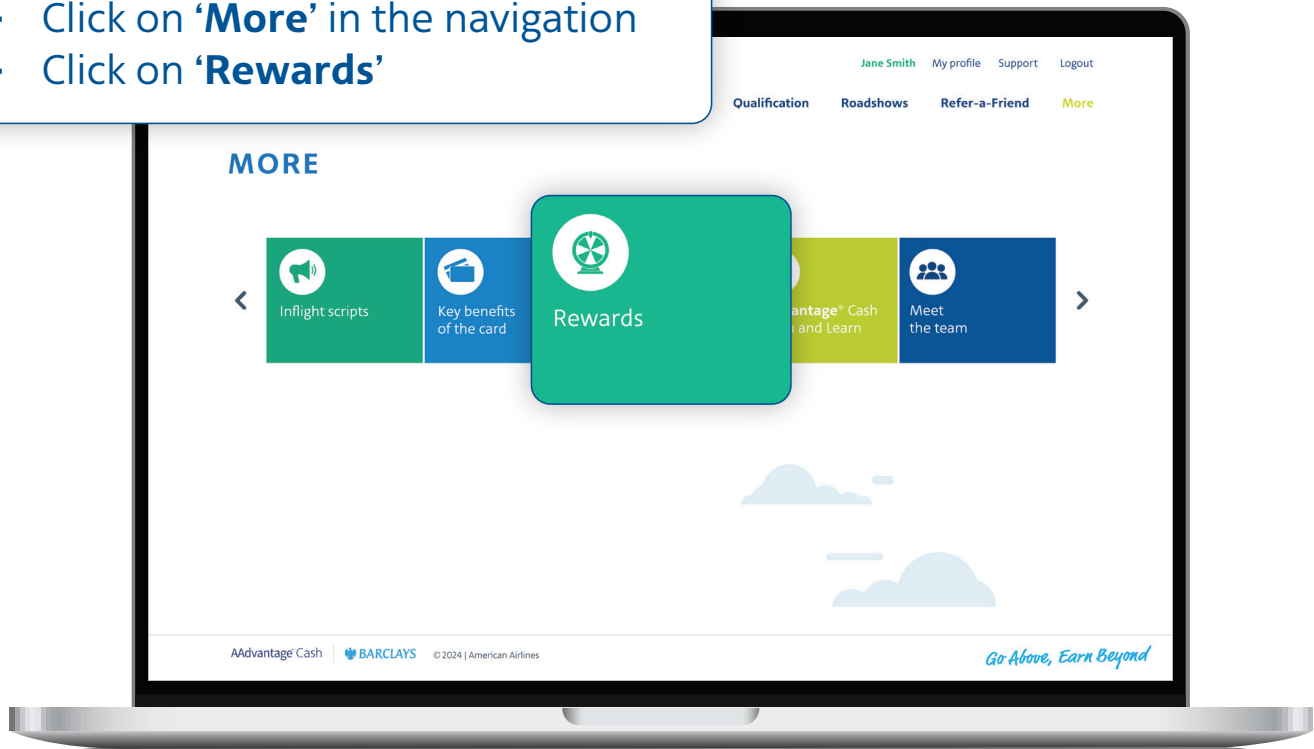

If you do not see an available spin, the **‘Rewards’** page will indicate one of the following reasons:

1. You are not currently qualified or haven't requalified in the last 60 days. (If you qualify or requalify at a roadshow, you can spin immediately.)
2. No valid applications submitted in the past 3 months.
3. You are on a leave of absence.
4. You have already used your spin for the month.
