

Spin Wheel Experience

You may qualify for one spin at the wheel each month based on your eligibility. Use your spin at any in-person roadshow or during a virtual RoadshowToGo™ session.

- Click on **'More'** in the navigation
- Click on **'Rewards'**

- Spins must be claimed during the month in which they are earned. If you don't use your spin by the end of the month, you will lose it!
- On the day you attend a roadshow, check your AAdvantage Cash™ portal to see if you are eligible for a spin.

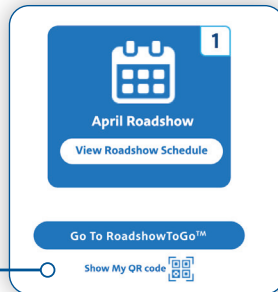

How to View and Track an Available Wheel Spin on the AAdvantage Cash™ Portal

If you have an available spin, a red dot will appear on the **'More'** menu.

If you have an available spin, it will appear as shown below, along with the month in which it must be used.

When you have earned a spin at the wheel, it will be displayed here.

The spin must be claimed the month in which you earn it. If you don't use your spins by the end of the month, you will lose it.

When you have earned a spin at the wheel, it will be displayed here.

If you have a spin, you can get checked in to in-person roadshows with the QR code under the calendar. You can also quickly get checked in at a Roadshow using the QR code located under 'My Profile'. In either case, tap on **'Show My QR code'** and your QR code will display and allow the Field Engagement Manager to check you in.

Why You Might Not Have an Available Spin

If you do not see an available spin, the ‘**Rewards**’ page will indicate one of the following reasons:

1. You are not currently qualified or haven’t requalified in the last 60 days. (If you qualify or requalify at a roadshow, you can spin immediately.)
2. No valid applications submitted in the past 3 months.
3. You are on a leave of absence.
4. You have already used your spin for the month.
